# MERIT PROMOTION

## Vacancy Announcement

U.S. DEPARTMENT OF ENERGY

SOUTHWESTERN POWER ADMINISTRATION

---

**POSITION:** **LINEMAN (ELECTRIC POWER), WB-2810-00, \$27.76 per hour (\$28.87 per hour effective 10/01/06)**

**ORGANIZATION LOCATION:** Southwestern Power Administration  
Office of Corporate Facilities  
Division of Springfield Transmission Maintenance

**DUTY LOCATION:** Springfield, Missouri

**PROMOTION POTENTIAL:** None

---

**WHO MAY APPLY:** **Nation-wide status candidates.** (Status candidates are current career or career-conditional employees of the Federal Government.) All applicants will receive consideration for appointment without regard to race, religion, color, national origin, sex, political affiliation, age, or any other non-merit factor. This position is advertised under two announcements, **SW-2006-19** and **DEU-SW-2006-14**. If you are a current federal employee, eligible for reinstatement, eligible under a special appointing authority, or a preference-eligible veteran, you may apply under both announcements and receive dual consideration. If you do not meet these conditions, you must apply under **DEU-SW-2006-14**. This is a permanent, full-time position.

**GENERAL INFORMATION ABOUT SOUTHWESTERN POWER ADMINISTRATION:** Southwestern Power Administration (Southwestern) was created in 1943 to market power and energy produced at the U.S. Army Corps of Engineers hydroelectric power projects. Twenty-four Federal multi-purpose water resource projects (dams) generate electricity that is provided to homes and businesses in a six-state area: Arkansas, Kansas, Louisiana, Missouri, Oklahoma, and Texas. To integrate the operation of the hydroelectric generating plants, Southwestern maintains 1,380 miles of high-voltage transmission lines, 24 substations, and 46 microwave towers. Seventeen of the 24 generating plants are scheduled directly by Southwestern. Nineteen generating plants contribute to the interconnected system operations. Generation at five projects serves specific customer loads. For more information about Southwestern, visit our Internet web site at: [www.swpa.gov](http://www.swpa.gov).

**DUTIES AND RESPONSIBILITIES:** Erects power lines consisting of supporting structures, conductors, insulators, and auxiliary equipment. Replaces or installs poles, cross arms, insulators, line hardware, guys and anchors, overhead ground wire, braces, dampers, lightning arrestors, transformers, and other auxiliary substation equipment. Strings conductors from structure to structure, clamping or tying to insulators with or without armor rod, in such a manner as to maintain proper sag. Splices wire or conductor when broken and reinstalls. Operates and maintains all types of equipment common to the utility trade including, but not limited to, multiple drive vehicles, bull dozers, truck-mounted earth augers, compressors, winch trucks, bucket and/or crane or boom trucks, and truck/trailer combinations. Works on energized lines (up to 161-kV) requiring the use of safety devices such as hotline tools, rubber gloves, mats, etc. Investigates, as requested, transmission line equipment failures/interruptions, diagnoses problems, and determines remedies. Performs other duties as required in the daily work, which may include patrolling lines; digging pole and anchor holes; back filling; banking poles; cutting brush, weeds, and trees; and repairing roads, bridges, fences, and gates along rights-of-way.

**PHYSICAL DEMANDS:** The work requires some physical exertions, such as walking across rugged terrain, climbing wood poles and steel transmission and communication towers, lifting crossarms, x-braces, and associated hardware with assistance of cranes, and the use of hand-held power tools. The work may require specific, but common, physical characteristics and abilities such as above-average agility and dexterity.

**WORK ENVIRONMENT:** The work environment involves high risks with exposure to potentially dangerous situations or unusual environmental stress, such as working with high-voltage electrical equipment (.0001 volts to 161,000 volts as general criteria), extreme outdoor weather conditions, emergency situations at all hours of the day, and any day, and foreign electrical systems. Incumbent travels to, and lodges at, remote locations frequently. Normal working hours are expected; however, employee may be subject to emergency call-out at all times. (Although not on standby status, the candidate selected is subject to call at anytime to perform emergency work and is encouraged to establish permanent residence within a one-hour commuting distance of the duty station.) The current work schedule is four 10-hour days weekly, Monday through Thursday.

**QUALIFICATION REQUIREMENTS:** Applicants must be found qualified to do the work of a Lineman (Electric Power). In their

application material, they must indicate that they possess sufficient experience, knowledge and skills to demonstrate an ability to adequately perform the duties of a journeyman lineman without more than normal supervision in the performance of complex electrical work. **The ability to perform the duties of a journeyman linemen (Electric Power) without more than normal supervision will be used as a screen-out element, and any applicant not indicating an adequate level of this ability will be eliminated from further consideration.** Applicants will be evaluated according to the procedural guidelines in OPM Handbook X-118C, which can be found on the Internet at: <http://www.opm.gov/qualifications/x-118C/index.htm>. Applicants must have had experience and training that indicate sufficient knowledge, skill, and ability to meet the requirements of the job elements (ranking factors) listed below:

1. Ability to perform the duties of a lineman (electric power) without more than normal supervision. **(This is a screen-out\* element.)**
2. Ability to perform line construction, installation and maintenance.
3. Knowledge of electrical theory and instruments used in high-voltage electrical practices and ability to do electrical power system troubleshooting.
4. Ability to work at heights with dexterity and safety.
5. Ability to use and maintain tools and instruments of the trade.

**\*Screen-Out Element:** Critical knowledge, skills, and abilities which are essential for satisfactory job performance. Applicants must score two points out of a possible four points on the screen-out element to be deemed eligible for consideration.

NOTE: Status applicants (current Federal employees) must meet qualification and time-after-competitive-appointment requirements within 30 days of the closing date of this announcement.

**BASIS OF EVALUATION:** Applicants who meet the qualification requirements will be rated on the basis of relevant experience, education, related volunteer experience, training, job-related awards, and the five (5) ranking factors listed above in Qualifications Requirements. **To receive proper consideration, ALL applicants should address the ranking factors above by completing the Supplemental Qualifications Statement, which is part of this Recruiting Announcement. If the Supplemental Qualifications Statement is not included with the applicant's application package, the applicant will be considered ineligible for consideration.** (If the Supplemental Qualifications Statement has become separated from this announcement, contact Beverly Yenter at (918) 595-6639 or at [bev.yenter@swpa.gov](mailto:bev.yenter@swpa.gov) for an application package; or, the statement can be downloaded from Southwestern's web site, <http://www.swpa.gov/careers.htm>.

**SPECIFIC REQUIREMENTS/CONDITIONS OF EMPLOYMENT:**

- A. Applicants must be citizens of the United States (or owe allegiance to the United States).
- B. Applicants must be at least 16 years of age to apply for this vacancy.
- C. Public Law 103-356 requires direct deposit of Federal wage, salary, travel reimbursement, and retirement payments by electronic funds transfer.
- D. Incumbent is subject to frequent travel.
- E. **Background Investigation:** This is a position that requires a brief background investigation prior to entering on duty. This brief background investigation may take up to three weeks to successfully adjudicate before selectee may begin employment. A comprehensive background investigation will commence upon effective date of hire and may take up to 9 months to adjudicate. Unsuccessful adjudication will result in the termination of employment.
- F. Applicant must possess and maintain a Commercial Driver's License (CDL) prior to appointment.
- G. **Pre-employment Physical:** Upon tentative selection, applicant will be required to complete a physical examination. Unsatisfactory results from the physical will result in non-appointment.
- H. **Drug/Alcohol Testing:** Upon tentative selection, applicant will be tested for drug/alcohol consumption. A determination of the use of illegal drugs may lead to non-appointment. The incumbent will be subject to future random, unannounced drug/alcohol testing.
- I. **Probationary Period:** The first year of Federal civilian service of an employee who is given a career or career-conditional appointment is a probationary period, in accordance with 5 CFR Section 315.801. Unsatisfactory performance or misconduct during the probationary period may lead to termination of employment, per Section 315.804. Any current Federal employee selected for this position who has not completed their probationary period will be on probation in this position until that probationary period has been served.
- J. Male applicants born after December 31, 1959, must certify that they have registered with the Selective Service System or are exempt from having to do so under the Selective Service Law.
- K. **Relocation Expenses:** None will be provided.
- L. Status applicants (current Federal employees) must meet qualification and time-after-competitive-appointment requirements within 30 days of the closing date of this announcement.

**Applicant Certification:** Before appointment, applicant will be required to certify that all information contained on or attached to his/her application is complete, true, accurate, and made in good faith as well as providing other suitability information. This certification will be made with the understanding that the information may be investigated, and false or fraudulent information on your application may be grounds for not hiring you, for firing you after you begin work, or be punishable by fine or imprisonment.

**HOW TO APPLY:** Candidates may submit a resume, or other documents such as an optional Federal employment application or a general employment application form. **Your application must include:**

- A. Information described in the Office of Personnel Management pamphlet, "Applying for a Federal Job," which can be found at Internet web site: <http://www.opm.gov/forms/pdfimage/of0510.pdf>. At a minimum this includes: Announcement number (SW-2006-19), title (Lineman [Electric Power]), and grade of position applying for (WB-2810-00) on the front page of application or resume; your full name, mailing address, telephone numbers; your social security number; country of citizenship; your work and education background.
- B. Additional information/completed forms should be submitted if applicable:
  1. Most recent copy of your SF-50, Notification of Personnel Action.
  2. **Supplemental Qualifications Statement (mandatory for consideration).**

Failure to submit requested information/documents may result in non-consideration or a lower rating in the evaluation process. **Applications that do not include the Supplemental Qualifications Statement will be considered incomplete and ineligible for consideration.**

Submit complete application package to:  
**Southwestern Power Administration**  
Attn: Beverly Yenter, S-6200  
One West Third Street  
Tulsa, OK 74103-3519  
Email [bev.yenter@swpa.gov](mailto:bev.yenter@swpa.gov)  
FAX (918) 595-6656

Applications received in the mail must be postmarked on or before the closing date and received in Southwestern's Human Resources Management Office within five (5) working days after the closing date of the vacancy announcement. Emailed or faxed applications must be received by the closing date of this announcement. Do not send original documents; applications will not be returned. **Applications mailed in Government-franked envelopes, faxed using government fax machines, or emailed from government email accounts will NOT be accepted.**

This job announcement is only one source of candidates the selecting official can use to fill positions. Management reserves the right to fill more than one position from this announcement within 90 days of the closing date.

**Placement Assistance Programs:** Individuals entitled to priority consideration under the Interagency Career Transition Assistance Program (ICTAP) and/or Department of Energy's Career Transition Assistance Program **MUST** submit the documentation listed below with their application package:

- A. RIF separation notice; a letter from OPM or your agency documenting your priority consideration status;
- B. Current (last) performance appraisal rating of record (must be successful or equivalent—or better);
- C. Narrative statement (GS positions), or Supplemental Qualifications Statement (WB positions), addressing the knowledge, skills, and ability factors listed under Qualification Requirements in this announcement; and
- D. Documentation showing the promotion potential of the position from which you may be or have been separated. (Applicants are eligible for consideration only for vacancies that have no higher promotion potential.)
- E. Eligible employees must be determined to be well qualified for this position. Well-qualified means an eligible employee possesses the knowledge, skills, and abilities that clearly exceed the minimum qualification requirements for the position.

**VETERANS EMPLOYMENT OPPORTUNITIES ACT (VEOA) OF 1998:** The Veterans Employment Opportunities Act of 1998, as amended by Section 511 of the Veterans Millennium Health Care Act (Pub. Law 106-117), of November 30, 1999, provides that agencies must allow eligible veterans to apply for positions announced under merit promotion procedures when the agency is recruiting from outside its own workforce. A VEOA eligible who competes under merit promotion procedures and is selected will be given a career or career-conditional appointment. Veterans' preference is not a factor in these appointments. *This announcement is recruiting outside the Department of Energy workforce, thus allowing eligible veterans to make application for this position, which is open to current Federal employees. Eligible veterans may apply and receive consideration as if they were current Federal employees, but such veterans will not receive preference in the form of extra points added to their rating. Additional information is available in OPM's Vet Guide, found at: <http://www.opm.gov/veterans/ref.asp>.*

**REASONABLE ACCOMMODATION:** This agency provides reasonable accommodation to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify this agency. The decision on granting reasonable accommodation will be on a case-by-case basis.

**CONTACT:** For further information, you may contact Beverly Yenter at (918) 595-6639 or at [bev.yenter@swpa.gov](mailto:bev.yenter@swpa.gov)

*THE U.S. DEPARTMENT OF ENERGY IS AN EQUAL OPPORTUNITY EMPLOYER.  
A HARASSMENT-FREE WORK ENVIRONMENT IS SOUTHWESTERN'S POLICY.*
